

PE Sports Funding

Overview

The government is providing additional funding for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Polesden Lacey Infant school

We are spending the money to provide specialist teaching, professional development for staff and to improve facilities and buy new equipment.

During the 1st year the Professional PE coach will teach one hour of outdoor games each week to all year groups. During the 2nd Year, Years 1 and 2 will continue to have 1 hour games lesson each week. A very heavily subsidised Multi Sport Club will be provided once a week throughout the year.

In the second year football club will be provided for Year 2, free of charge, at lunchtime once a week.

Teachers and teaching assistants will have the opportunity to enhance their own professional development by observing and liaising with a sports coach.

The newly laid tarmac playground has been enhanced by new thermoplastic markings including two target games and five a side markings in the soft sports area.

Other purchases include new storage sheds for PE equipment.

Success Criteria

All pupils will receive excellent tuition in games.

Pupils will be enthusiastic about games lessons.

Pupils will develop a disciplined approach to PE lessons.

Teaching Staff will develop confidence to sustain high quality teaching in games beyond the two year project through taking opportunities to observe and participate in excellent practice.

Teaching assistants will develop confidence to provide support in Games lessons.

Equipment will last longer through being well stored and organised.

Lessons will be enhanced by playground markings and new equipment.

Pupils will have positive and active playtimes using playground markings.

Outcomes

Children have deeper knowledge of skills

Very large majority of children are very keen

Short, sharp and snappy approach

Teachers are confident in games and will use what they have learnt in their own practice in future

This has enabled a more inclusive approach. No children are sent out of games lessons for poor behaviour.

Storage is now planned and will be complete by Easter 2015

The football markings have been very useful in PE lessons and at playtime

The target games have encouraged active play
