Polesden Lacey Infant School Magazine
No.23

Spring Term
April 2016

It is with great pleasure that we publish yet another edition of our magazine to celebrate spring at Polesden Lacey Infant School. We managed to pack a lot into a very short term.

I was delighted with the new additions to the trim trail which are proving very popular and whilst accessible do provide a bit of challenge for the children. We are very grateful to the Friends for their tireless fundraising to give us these additional resources.

One of the highlights for me was the Spring Assembly. I am very proud of the standard of singing in this small school and indeed our Badger children received high praise for their contribution at the local musical festival this week.

Best wishes
Rosie Keedy
Headteacher

Take one Picture

Erin and Bella are very proud of their work. Everyone studied the Hay Wain painted by English artist John Constable. If you want to see the wonderful work produced by the children look at the display in our foyer.

Singing assembly

We raised the roof with the singing at the spring assembly. Parents were treated to a wealth of songs and actions interspersed with poems some of which were written by the children.

Mile a Day

We introduced our mile a day and then discovered it is in the news as a great way to keep children fit! We always like to be ahead of the game. The children love it and the staff are getting fitter too!

Saving the planet One bag at a time

We are still selling these fabulous bags at the school office

Our new Trim Trail

Everyone was very excited to return from the half term holiday and discover a new climbing wall on the trim trail. This was bought for us by the Friends.

FAIRTRADE Cooking

William, Nicholas, James and Leandro enjoyed baking with FAIRTRADE ingredients to make chocolate and banana muffins.

FAIRTRADE All Day Breakfast

Austin and Iona enjoyed eating the muffins fresh from the oven at our all day breakfast.

FAIRTRADE Football

Mr Gregory led all the classes in a football activity using our FAIRTRADE footballs.

Did you know they are manufactured in Pakistan? There are many FAIRTRADE products apart from foodstuff, including cotton, flowers and gold.

Skipping workshop

Everyone improved their skipping skills at the workshop. The trainer was very impressed.

Many children are still enjoying using their own ropes on the playground. It is a great way to keep fit.

Birdwatching Day

Mrs Hancock's group were really excited when they spotted a rare goldcrest. We were all delighted to spot magpies, robins, blackbirds and several other common garden birds.

The Rabbit Class Pet Show

Evie enjoyed showing her dog at the Rabbit class pet show.
