Summer Term
July 2015

It is so enjoyable to collect together the photos for the magazine as it reminds me what an amazing, enjoyable and productive term we have just completed. The children have had so many excellent opportunities and have grasped these so enthusiastically. It makes all the planning and work so rewarding for the staff. We have all noticed how polite and helpful the children are as they go about their daily lives at school and we are truly proud of our Polesden Lacey Children as I am sure you are too!

Best wishes

Leaver's Assembly

WOW is the first word that comes to mind to describe the Leaver's Assembly. It was a truly intergalactic experience. The sheer joy on the faces of the performers was wonderful to behold. The show was full of energy and parents and carers were delighted. Well done Badgers!
