<b>Estimated amount of Pupil Premium to be received</b>	<b>£5200</b>
<b>Objectives in spending Pupil Premium:</b> To ensure the opportunities at Polesden Lacey Infant School are inclusive and provide the best possible outcomes for all children.	
<b>Summary of planned spending and actions:</b> <ul style="list-style-type: none"> <li>• High level of Teaching Assistant support maintained across Key Stage One</li> <li>• Small group provision to support progress in Maths and English.</li> <li>• Small group provision to develop progress with Social and Emotional skills.</li> <li>• Support for progression in language, speaking and listening skills.</li> <li>• Access to a Home School Link Worker supporting families and helping pupils to feel happy and secure in school</li> <li>• Funding for clubs and school trips</li> </ul>	
<b>Outcomes to date</b> End of KS assessments for 2015 show 100% of PP pupils are above national averages in all subjects making outstanding progress in reading, writing and science and good progress in maths. 100% of pupils in receipt of PP reached the expected standard in the phonics test.  NB no pupils in EYFS were in receipt of PP this year	

## Planned Pupil Premium spending 15/16 academic year

Estimated amount of Pupil Premium to be received

£3960

### Objectives in spending Pupil Premium:

To ensure the opportunities at Polesden Lacey Infant School are inclusive and provide the best possible outcomes for all children.

### Summary of planned spending and actions:

- High level of Teaching Assistant support maintained across Key Stage One
- Small group provision to support progress in Maths and English.
- Small group provision to develop progress with Social and Emotional skills.
- Support for progression in language, speaking and listening skills.
- Access to a Home School Link Worker supporting families and helping pupils to feel happy and secure in school
- Support for settling into EYFS
- Funding for clubs and school trips

### Intended outcomes:

To maintain the high level of achievement by all pupils and in particular to ensure all pupils in receipt of Pupil Premium achieve age related expected outcomes at the end of Early Years and KS1 and that some pupils in receipt of pupil premium exceed expected outcomes at the end of Early Years and KS1.
