

PE Sports Funding

Overview

The government has provided additional funding since 2013 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Polesden Lacey Infant school

We have spending the money to provide specialist teaching, professional development for staff and to improve facilities and buy new equipment.

During the 1st year the Professional PE coach taught one hour of outdoor games each week to all year groups Year 2

Years 1 and 2 continued to have 1 hour games lesson each week.

Since the second year a very heavily subsidised Multi Sport Club is provided once a week throughout the year.

Since the second year football club has been provided for Year 2, free of charge, at lunchtime once a week.

Teachers and teaching assistants have had the opportunity to enhance their own professional development by observing and liaising with a sports coach

The newly laid tarmac playground has been enhanced by new thermoplastic markings including two target games and five a side markings in the soft sports area.

Other purchases include new storage sheds for PE equipment

Year 3

Teachers have taken over teaching of games but continue to have regular release time to improve practice.

Additions to the trim trail have enhanced active play.

A subsidised after School sports club and free lunchtime football club continue to be offered

Moveable barriers allow outdoor physical activity throughout the day.

Olympic athletes will provide a sports day.

An Olympic themed week will be held.

A mile a day running project has been introduced for staff and pupils

Basket ball coach used to provide a series of sessions for Yr 2

Next Steps

- to develop dance teaching through in house specialism
- to raise awareness of professional sportsmen and women
- to harness the inspiration of the Olympics
- To embed the Mile a Day project

Total £8860

PE Sports Funding

Proposed expenditure for 2016/17 Fencing for soft play area £4000 Fencing for trim trail £2500 Netball equipment for after school club and PE £200 Visits from specialists e.g fencing coach £1000 Olympic week <ul style="list-style-type: none"> • athlete visit £400 • A life visit £400 	
Success Criteria	Outcomes
All pupils will receive excellent tuition in games.	Children have deeper knowledge of skills
Pupils will be enthusiastic about games lessons.	Very large majority of children are very keen
Pupils will develop a disciplined approach to PE lessons.	Short, sharp and snappy approach
Teaching Staff will develop confidence to sustain high quality teaching in games beyond the two year project through taking opportunities to observe and participate in excellent practice.	Teachers are confident in games and will use what they have learnt in their own practice in future
Teaching assistants will develop confidence to provide support in Games lessons.	This has enabled a more inclusive approach. No children are sent out of games lessons for poor behaviour.
Equipment will last longer through being well stored and organised.	Storage is completed and much easier to access
Lessons will be enhanced by playground markings and new equipment.	The football markings are useful in PE lessons and at playtime
Pupils will have positive and active playtimes using playground markings.	The target games encourage active play
Pupils will be inspired by the Olympics	In the Autumn term pupils were able to identify the school values shared by Olympians and papalympians
The trim trail will enhance an active play experience and provide curriculum opportunities	In the first few weeks this has proved popular and is developing climbing skills
Children will develop ability to play and cooperate in team games	Improved cooperation skills seen to be developed through high emphasis from outside coaches and Class teachers. Very little unwanted behaviour seen in PE lessons.
Fencing will demarcate soft play area better and keep balls in play more successfully	
Fencing will replace old fence and ensure trim trail can continue to be used safely
