## Parking Focus Group

A huge thank you to the parents who attended the parking focus group. During a really useful discussion with the police it was agreed that the large majority of parents and carers drive and park with courtesy and consideration for the safety of our children. However there is great concern that a few drivers are causing problems by:

- parking in Oakdene Close (sometimes on the pavement)
- parking on or next to the school crossing opposite Oakdene Close.

Parents were particularly concerned that if an ambulance could not get through this could have catastrophic results for a child at school or someone who lives in the road. Obviously it would be equally disastrous if a fire engine could not gain access.

The police have offered to monitor the situation closely.

The group would like to thank careful and courteous drivers.

## Healthy School Award

We are delighted to have been awarded The Silver Healthy School Award for our work to keep the children fit.
