## Year 1 Open Assembly

Well done Squirrel Class!

## Rabbit Questionnaires

Thank you for all that have been returned we have extended the deadline until Monday 20<sup>th</sup> February 2017.

## School nurse

The school nurse will be visiting all 3 classes on Monday 27<sup>th</sup> February 2017 to deliver brief workshops about "our bodies". She will be stressing to the children that some parts of their bodies are private. The children will have the opportunity to label the internal and external parts of their bodies. Year 2 children will also watch a short video about cats having kittens as an introduction to reproduction. If you would like more information, lesson plans are available.

## Jobs and Values

In assembly during the next half term we are going to be thinking about the world of work. We will be talking about jobs that grown-ups do and asking which of our school values will be important to do that job well.

If your child would like to talk about this in assembly please help them to choose a job (maybe the one you do) and choose 1 value that they think is essential to that role. If you can send a picture of someone doing that job that would be really helpful (if not we can source one), write the value down too. We will be doing this at Tuesday's assembly each week.

## Badger Class

If Badgers complete the special homework for Mrs Keedy about where food comes from please return this on Monday 20<sup>th</sup> February.

Well done Gideon and Amelia for completing the work.

## News from the Friends' Committee

After half-term, please look out in your children's book bags for paper plates for the **cake sale** (Wednesday 1st March) and letters about the **Sponsored Bounce** (Friday 10th March).

Please make a note in your diaries for our **Quiz Night** which will take place at school on **Friday 5th May**. Lots more info to follow!

Have a great half-term break!
