No.2 21st September 2017

Mindfulness

Badgers and Squirrels have had their first mindfulness lesson. We have not used the word mindfulness yet as we are starting off by learning about how our brain works. To support this the children will be bringing home a work sheet so that they can talk to you about this. It would be really helpful if you could complete this short activity with your child.

Scooters and Bikes

If you wish to travel to school by scooter or bike please ensure you have a scooter or bike permit. These are available from the School Office when you complete the skillful scooter or bike form (attached). This policy was written in consultation with parents, pupils and the local police.

Reception Class Curriculum Evening at 7 pm on Wednesday 27th September

Mrs Binding and Mrs Keedy are looking forward to welcoming Rabbit Class parents and carers to an overview of the Early Years curriculum. Please arrive a little before 7 pm to ensure a prompt start.

Parking

Further to our parking charter in last week's newsletter we have unfortunately received complaints from neighbours who have had driveways blocked.

We would politely request that all parents and carers park safely and courteously at all times.

With this in mind we would like to suggest using park and stride if you are unable to walk to school. This involves parking further away than Howard Road and walking the remainder of the way.

To encourage the children we will be holding a Walk Once A Week (WoW) week next week when the children can earn a token each day that they use green travel. There will be a small reward for the class with the most tokens. Your child can earn a token by:

- Walking the whole way
- Cycling the whole way
- Doing park and stride from further away than Howard Road
- Using public transport.

Thank you for your help to keep our children safe and ensure we get along with our neighbours.

Volunteer Safeguarding Briefing on 9th October 2017

A reminder that our next volunteer safeguarding briefing session will be on Monday 9th October 2017 at 2.30pm. If you would like to help in school you must attend one of these briefings. Please let the School Office know if you wish to attend this briefing. Please note that the next one will be in the Spring term.

Head Lice

We have received a report of head lice in school. Please ensure you check your child for them tonight and treat them, if necessary.

Forthcoming Dates Reminder

Monday 25 th September	12.00 – 12.30pm Library for Year 1 and 2 3.00 – 3.45 pm Football Club
