

PE Sports Funding

Overview

The government has provided additional funding since 2013 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Polesden Lacey Infant school

We have spending the money to provide specialist teaching, professional development for staff and to improve facilities and buy new equipment.

2013

The Professional PE coach taught one hour of outdoor games each week to all year groups

2014

Years 1 and 2 continued to have 1 hour games lesson each week.

Teachers and teaching assistants have had the opportunity to enhance their own professional development by observing and liaising with a sports coach

The new tarmac playground has been enhanced by thermoplastic markings including two target games and five a side markings in the soft sports area.

Other purchases include new storage sheds for PE equipment

A very heavily subsidised Multi Sport Club is provided once a week throughout the year.

Football club provided for Year 2, free of charge, at lunchtime once a week

2015

Teachers took over teaching of games but continued to have regular release time to improve practice.

Additions to the trim trail have enhanced active play.

A subsidised after School sports club and free lunchtime football club continue to be offered

Moveable barriers allow outdoor physical activity throughout the day.

2016

Olympic athletes provided a sports day.

An Olympic themed week was held.

A mile a day running project was introduced for staff and pupils

Basketball coach used to provide a series of sessions for Yr 2

2017

New recycled plastic fencing and netball posts improved soft play area

Football club continued to be provided twice a week to year 1 and 2

Dance teaching improved through in house specialism

Visit from Olympic athlete planned to further harness the legacy of the Olympic games and raise awareness of professional sport

Next Steps

- to embed awareness of professional sportsmen and women
- to embed the inspiration of the Olympics
- to embed the daily exercise project project
- to replace fencing around the trim trail

<p>Expenditure for 2017/18 Fencing for trim trail area £7000 Visits from specialists £1000 Training for new PE leader £300</p>	
Success Criteria	Outcomes
All pupils will receive excellent tuition in games.	Children have deeper knowledge of skills
Pupils will be enthusiastic about games lessons.	Very large majority of children are very keen
Pupils will develop a disciplined approach to PE lessons.	Short, sharp and snappy approach
Teaching Staff will develop confidence to sustain high quality teaching in games beyond the two year project through taking opportunities to observe and participate in excellent practice.	Teachers are confident in games and will use what they have learnt in their own practice in future
Teaching assistants will develop confidence to provide support in Games lessons.	This has enabled a more inclusive approach. No children are sent out of games lessons for poor behaviour.
Equipment will last longer through being well stored and organised.	Storage is completed and much easier to access
Lessons will be enhanced by playground markings and new equipment.	The football markings are useful in PE lessons and at playtime
Pupils will have positive and active playtimes using playground markings.	The target games encourage active play
Pupils will be inspired by the Olympics	In the Autumn term both years pupils were able to identify the school values shared by Olympians and papalympians Pupils have created their own sporting promise
The trim trail will enhance an active play experience and provide curriculum opportunities	In the first few weeks this has proved popular and is developing climbing skills
Children will develop ability to play and cooperate in team games	Improved cooperation skills seen to be developed through high emphasis from outside coaches and Class teachers. Very little unwanted behaviour seen in PE lessons.
Fencing will demarcate soft play area better and keep balls in play more successfully	Huge improvement both visually and because balls stay in play
Fencing will replace old fence and ensure trim trail can continue to be used safely	
New PE leader will be confident to lead and inspire other staff
