

Polesden Lacey Infant School

Reviewed expenditure of Primary PE and Sport Premium 2023/2024

Academic Year: 2023/2024	Total fund allocated: £16000 Total spend: £16120	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school		
Intent	Implementation and estimated costings	Impact
The children will engage in regular physical activity additional to their PE lessons to improve physical fitness, learn new skills and promote a healthy lifestyle.	<ol style="list-style-type: none"> 1. Forest schools for all year groups throughout the year to encourage being active and use of the outdoors. Forest School - £5000 2. 5 times a week – morning exercises. To ensure the children are alert and mentally and physically ready to start learning. Jump Start Jonny - £200 Monday Mile to include all children 3. Purchase new playtime equipment. Playtime Equipment £150 	<ol style="list-style-type: none"> 1. Forest School continues to be an integral part of our school curriculum and supports the ethos of the school. Pupil voice has shown how children enjoy learning outside and through the physical aspects of Forest School. All children including those with SEN take part in Forest School every week. 2. Children and staff have reported that the use of morning exercise following phonics lessons has resulted in the children returning to the classroom re-focused and with more stamina for learning. The new songs and workouts included in the JSJ website have been very popular with the children. 3. Playtime equipment is used by many of the children to enhance their current play and is helpful to engage other children in physical activity at playtime and lunchtime. More equipment will need to be purchased due to low fencing around the playground.
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement		
Intent	Implementation	
Leading a healthy active lifestyle is promoted and celebrated throughout the school. This will encourage the	<ol style="list-style-type: none"> 1. Purchase of new equipment specifically for PE lessons linked to Merton PE curriculum and to run more sport specific clubs to include dodgeball and tag rugby. 	<ol style="list-style-type: none"> 1. Sports 4 Kids have started to run more sports clubs after school- open to all pupils. This will be increased academic year 24/25. New equipment

<p>children to be active and help improve learning across the curriculum.</p>	<p>New equipment £250</p> <p>2. New outside resources for Reception and for use at play time by KS1. £350</p>	<p>purchased has been used to support Merton PE lessons and no reports of missing equipment have been raised this year.</p> <p>2. Trikes and bikes have been purchased for use by EYFS and SEN children. The bikes are used on a daily basis and have been appealing to all children including those not normally drawn towards physical activity. Consider now how these can be used fairly by KS1 children at play/lunchtimes.</p>

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Intent	Implementation	Impact
<p>All staff will attend CPD and feedback to their team or all staff to develop confident, knowledge and skills to ensure PE teaching is effective.</p>	<p>1. Training for new teachers to increase knowledge and ensure quality first teaching is being delivered. £150</p> <p>2. Training for lunchtime supervisors to encourage more purposeful activity at play and lunch times. To include skipping workshop training. £200</p>	<p>1. ECT teacher reports to feel more confident in delivering the Merton PE scheme to a high standard.</p> <p>2. Lunchtime supervisors have been able to use the skills learnt in the skipping CPD to support the children in skipping at play and lunchtimes as well as running “big skipping” with large groups of children. Children report to really enjoy skipping especially the “big skipping” More training will be needed for new support staff and to cover more varied sports/activities.</p>

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Intent	Implementation	
<p>The school will promote a healthy and active lifestyle and expose the children to a competitive environment and positive role models.</p>	<p>1. Lunchtime sports club. Children will be exposed to a range of different sports, skills and games. Each club will be free for all. £500</p> <p>2. A-life healthy workshop visit £200</p>	<p>1. Children enjoyed lunchtime football and skipping club-open only to Year 2. We plan to open this up to year 1 and 2. Multisports club has been popular with the children and encouraged children to stay active at lunchtimes.</p> <p>2. All children including SEN took part in the workshops and enjoyed the activities on offer. The conversation about healthy eating and lifestyles continued after the</p>

	<p>3. Olympic athlete visit</p> <p>£650</p> <p>4. Multisports club delivered by outside agency.</p> <p>£8000</p> <p>5. Star Mark Award</p> <p>£120</p> <p>6. Skipping workshop for all pupils</p> <p>£350</p>	<p>workshops.</p> <p>3. The athlete visit was a fantastic event. All children were fully engaged and this enthused children and encouraged participation in the subsequent sports day.</p> <p>4. Participation in this club was high and included children with SEN and pupil premium as well as those targeted to encourage and support a healthy lifestyle.</p> <p>5. Star Mark Award achieved (Silver) We will aim to achieve gold next year by tracking participation and engagement and offering more clubs and inter-school competition.</p> <p>6. Children report to really enjoy skipping especially the “big skipping” Children have been using skipping ropes at playtimes but more need to be purchased for the upcoming year.</p>
