SEASONS GREETINGS FROM THE FRIENDS COMMITTEE

Hopefully by now you should have all received your Christmas cards, tags, bags and mugs from Class Fundraising. Thank you to all of you who took part - we have raised £223 for the Friends fund.

As you will have seen from last week's School Newsletter, the Reception class have been busily playing with the Code-a-pillars which have been purchased for the school by the Friends. In addition, the Friends have purchased the materials for the new wild life meadow on the bank near the trim trail and are in the process of purchasing motion cameras for the children to be able to watch the school's wildlife at night - in particular Badgers! It is wonderful to be able to make these investments in to our children's learning and we are in discussions with Ms Mole about how to best support the school with our hard earned funds.

This Sunday, parents from across the school are getting creative and festive at our **Christmas Wreath Workshop** - pictures of our creative efforts will appear in the next newsletter. If anyone still wants a place - please get in touch with me directly.

Our final event of the term is **Movie Night on Friday 13th December.**

Tickets (cash only) will be on sale at drop off and pick up next week on the following days:

Tuesday 3rd December - PM

Friday 6th December - AM & PM

Tuesday 10th December - PM

As a reminder - all children must be accompanied by a responsible adult, and unfortunately due to space we cannot accommodate siblings from outside of school

Details of the event are on the poster below

Finally if anyone would like to purchase some very cute Rabbit, Squirrel and Badger **Christmas Decorations**, please speak with Emma Adler or your class rep to place an order - a wonderful memento of our children's time at Polesden!

Have a wonderful Christmas,
and we look forward to more events in 2020!
