

Message from Mrs. Mole

This week in assembly, we started learning about 'Growth Mind-Set', what it is and why it is important. Over the coming weeks we will be discussing how we can encourage a Growth Mind-Set in the classroom and our lives. The children really took to the idea and the teachers have been talking more about it in the classroom. One of the children saw two woodlice on the bank. One of them was curled up and the other was off exploring. She said to one of the adults that she thought that the curled up woodlouse had a 'fixed mind-set' where as the other one had a 'growth mind-set' and was going to learn lots more. I'm not sure if the woodlice have mind-sets but I was super excited that the children were talking about mind-sets during playtime.

If you have an opportunity to talk to your child/children about 'Growth Mind-set' A quick search on the internet will give you additional information if you would like.

Rebecca Mole, Headteacher

Badger Class trip to The British Wildlife Centre

Infant School Council

On Thursday afternoon two of the children in Badger Class went to The Dawnay School to take part in the Infant School Council. This was the first time for over two and a half years that the council has been able to meet and it was a great experience. They discussed why road safety was important and what they could do in school to spread the message about staying safe. They also had some biscuits and a play at the end, which made it into an even better afternoon than it had already been.!

Flier for the event is attached to the bottom of the Newsletter.

Library Books — reminder

Please remind your children to bring their library book to school each week so that they can be changed on a regular basis. If the children don't remember to return their book they may be told that they cannot borrow one on this occasion. We encourage children to have no more than 2 school library books at home at any one time as we have a relatively small library and want to make sure that all children have access to as many books as possible each term.

Library days are;

Wednesday - Rabbits and Badgers

Thursday - Badgers and Squirrels

Upcycling items for Village Day in June

The theme of Bookham's Village Day this year is "Jubilee". We have plans to showcase our eco-credentials and upcycle as much as we can, alongside using some natural materials, for our parade outfits/decorations. The Friends are helping us plan and prepare for the parade and are coordinating the collection of a few items that we'd like to upcycle.

If you have any of the following in reasonable, clean condition we'd very much appreciate them please - there will be a donation box outside the office from Monday 9th May. All donations of these items are welcome until our Making Mornings on 13th and 14th June.

- Red, white or blue plastic bags
- Bottle tops of any colour (plastic or metal) - preferably in a small bag please
- Red, white or blue ribbon or wool - again, in a small bag please
