

Newsletter – No. 33 27th May 2022

Message from Mrs. Mole

What a wonderful last week of the half term we have had. This week's newsletter is full of the pictures from the various events that have taken place. They were all so fabulous that I am not sure that I can pick out a favourite but they all had one thing in common which was community. It was so lovely to have the whole school and the Year 1 and Year 2 parents in the hall together for the music assembly on Wednesday morning. That afternoon we had a special visitor; some said it was Mrs. Cushnie dressed as The Queen but she had a very regal wave so I think it must have been the actual Queen. After Her Majesty's visit we all enjoyed a picnic and a dance together in the hall. On Thursday all three classes had a royal themed drama workshop and on Friday morning Reception class held their assembly for their families to watch. Finally we finished the week off with a royal cake sale. What a wonderful week of togetherness we have enjoyed.

Have a lovely break and we will see you and the children back in school on Tuesday 7th June.

Rebecca Mole, Headteacher

PLIS Go To Bookham Village Day! - Saturday 18th June

Flags and cameras at the ready! A reminder that we've been invited to take part in Bookham's Village Day procession on Saturday 18th June. Times and exact meeting point tbc but the main element is a procession down Bookham High Street, ending up in the field at the Barn Hall where the winning school is announced. The theme is Jubilee and we'll be judged on how we have dressed and decorated ourselves... We'd really appreciate a good turnout from our wonderful families to help us celebrate our school and show the local community how brilliant we are!

The children will be making things to wear and carry during Making Mornings on Monday 13th and Tuesday 14th June and we'll be asking for parent volunteers for this shortly.

Upcycling items for Village Day in June

The theme of Bookham's Village Day this year is "Jubilee". We have plans to showcase our eco-credentials and upcycle as much as we can, alongside using some natural materials, for our parade outfits/decorations. The Friends are helping us plan and prepare for the parade and are coordinating the collection of a few items that we'd like to upcycle.

If you have any of the following in reasonable, clean condition we'd very much appreciate them please - there will be a donation box outside the office from Monday 9th May. All donations of these items are welcome until our Making Mornings on 13th and 14th June.

- Red, white or blue plastic bags
- Bottle tops of any colour (plastic or metal) - preferably in a small bag please
- Red, white or blue ribbon or wool - again, in a small bag please

Gardens in Bloom!

We're throwing open the school grounds for Bookham's annual Open Gardens Day on Sunday 26th June. It's a great opportunity to showcase our school to the local community and enjoy our lovely grounds. The gardening club has been brilliant at tidying up some of the beds but we could do with a little extra help to get Garden ready...

- If you have a rotavator or similar and could spare an hour one day to help us create a new flower bed on the grassed area just outside the fence along the driveway we'd be really grateful. Just let us know when you could pop along.
- If you could spare an hour or two after school one day between now and 17th June to help us tidy, prune and clear a bit please let us know when you're free. By e-mailing Mrs Cummings on office@polesdenlaceyinfant.surrey.sch.uk

Library Summer Reading Challenge 2022

Starting from 9th July until 17 September, Surrey Libraries are excited to launch the Summer of Reading. Organised by the Reading Agency, the theme this year is Gadgeteers, and has been developed in partnership with The Science Museum Group, whose leading exhibitions inspire over 5 million visitors each year. This year's Challenge will be a celebration of reading, science, and innovation. Gadgeteers will inspire children to discover the science in everyday things like music, fashion, sport, and cooking. Children can join the free Summer Reading Challenge at their local Surrey Library, help six fun characters and become a party-planning science visionary!

Designed for all reading abilities, children can choose whatever books, audiobooks, comics, ebooks or eAudiobooks they like to complete the Challenge. Every participant receives stickers and other incentives along the way – there is a reward for every book they read. Those children who read or listen to six books are presented with a personalised certificate and an amazing medal! To bring the Challenge to life, please have a look at our Summer Reading Challenge 2022 [YouTube video](#).

The Challenge is great fun, encourages reading and enjoyment in reading throughout the summer holiday, so sign up at your local library from 9th July. Surrey Libraries will organise plenty of events and activities, both in libraries and online so please make sure you check Surrey Libraries' [webpage](#) and social media for more information closer to 9th July.

Sponsored Bounce - 23rd June

Our favourite sponsored event is back for 2022 on Thursday 23rd June! The children compete with their classmates to see who can bounce the most times in a minute. It's brilliant fun and all done during the school day so all you need to do is share the sponsorship link with family and friends and make a donation to encourage your child/ren to jump as quickly as they can!

A link to an online sponsorship form and payment, and a permission form to allow your child to take part, will be emailed out after half term.
